

Something Special for the Holidays

Makumira Farms Holiday Blend

This year's peaberry coffee from the small farms of the Makumira farmers has been rated higher than most coffees available. A single coffee bean grows within each coffee cherry to give you a richer flavor with less acidity. This Makumira coffee is blended with other Mt Meru peaberry to balance the flavor and offers a light chocolate like flavor

Drip Grind or Whole Bean \$19.00

**Gift Box -
Ready for Holiday Giving \$18.00**
