Monthly Budget Summary

Thank you. Your giving has been phenomenal. With all that has happened this year, we are in a better financial position than we would have thought. And that is because of your faithful giving. At the same time, because of the crazy year, we are projecting a deficit for the end of the year and there is a chance it can grow. So please continue your giving. It is making a difference and will help us finish this year in a strong position. With the year we have had, that would be an amazing gift.

coffee from the small farms of the Makumira farmers has been rated higher than most coffees available. A single coffee bean grows within each coffee cherry to give you a richer flavor with less acidity. This Makumira coffee is blended with other Mt Meru peaberry to balance the flavor and offers a light chocolate like flavor.

[Tosa Cares](#)

In January, 2020, we were helping 166 families, in September, 2020, we were helping 193 families, now it's over 200 families being helped by Tosa Cares per month. Over 40 new families have registered for help since the Covid outbreak. Thank you to the Martin Luther family for all of your support through monetary contributions, food and clothing, and hand knit hats and mittens.

If you or someone you know needs help from Tosa Cares, several numbers are available: call 414-258-90456, ext. 410, call or text 414-861-4725, or e-mail to tosacares@gmail.com. And of course, **the Tosa Cares donation bin**

is available for collections outside our office door. You can also donate monetarily by going to www.tosacares.org

[Serenity Inns](#)

The men have continued to receive meals from partnering churches (hooray!), but they can always use cleaning supplies and new undershirts, socks, and underwear.

Donations of Air fresheners, Paper Towels, Bleach wipes, and Tall Kitchen Garbage Bags especially are needed and can be dropped off in our new bins outside the Office doors.
